

eReceivables Finance on HSBCnet User Application Form

How to complete this form

Step 1

The Company's System Administrator should complete sections 1 and 2 below for new users of the eReceivables Finance ("eRF") Services on HSBCnet ("eRF Users").

The Hongkong and Shanghai Banking Corporation Limited,
Singapore Branch
Receivables Finance Division
10 Marina Boulevard, Marina Bay Financial Centre
Tower 2, Level 44, Singapore 018983

Step 2

Once all sections have been completed, please send this form directly to us at the following address:

We will process the request and send to the System Administrator the one-time user ID(s) and activation code(s) for the new eRF User(s), together with instructions to guide them to activate their access to the eRF Services on HSBCnet.

Section 1

System Administrator Information

I authorise The Hongkong and Shanghai Banking Corporation Limited, Singapore Branch - Receivables Finance Division to grant the new eRF User(s) named under Section 2 of this form the right to access eRF Services on HSBCnet, and understand this may give them access to the Company's receivables finance account(s) and approved debtor details and invoices and to view and extract reports.

In particular, I acknowledge and confirm that the new eRF User(s) named under Section 2 of this form would have access to, among others, (a) the Payments and Availability screen and (b) the payment request function on eRF in HSBCnet. This means that they will be able to view the available balance and submit payment request(s) through eRF in HSBCnet (although I acknowledge that access to the payment request function is granted at the Bank's absolute discretion).

Please use block capitals and black or blue ink to complete this form.
