

# HSBC Omni Collect

Payment collections simplified

# One platform. One report for all transactions.

With HSBC Omni Collect, it's a win-win for you and your customers. Payment collection is made simple with this new streamlined platform that lets you collect funds via static and dynamic QR Codes (SGQR / PayNow QR), Cards\* and E-Wallets\*. Additionally, Omni Collect is equipped with API and POS integration, giving your business added operating efficiencies.

Now, your customers can pay with just a tap or scan and you can get a view of all your daily business transactions in one consolidated report. It's that simple.

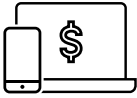

## Payment transactions made easy

### Bill / Invoice Payments

Simply embed SGQR on your bills and invoices. Your customers can just scan and payment is made in just a few clicks.

**STEP 1**  
  
Customers receives bill / invoice with SGQR

**STEP 2**  
  
Customers scan SGQR via mobile banking application, reviews and authorises the transaction

**STEP 3**  
  
Payment is credited into merchant account instantly

### Point of Sale<sup>†</sup>

For contactless payments, your customers just needs to select PayNow as the mode of payment and you will receive the payment almost instantly!

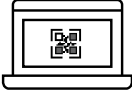

**STEP 1**  
  
Merchant generates PayNow QR code on POS device

**STEP 2**  
  
Customers scan PayNow QR via mobile banking application, reviews and authorises the transaction

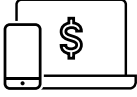

**STEP 3**  
  
Instant confirmation on POS device

### e-Commerce / m-Commerce<sup>†</sup>

Doing business online has never been simpler. Add another collection method to your business by incorporating PayNow QR in your website or mobile app. Your customers can now pay with greater ease.

**STEP 1**  
  
PayNow QR code containing payment amount and payment reference is presented on merchant site or mobile application

**STEP 2**  
  
e-Commerce / m-Commerce Customers scan PayNow QR via mobile banking application, reviews and authorises the transaction

**STEP 3**  
  
Merchant receives immediate confirmation of payment

<sup>†</sup>Payment mode via Cards / E-Wallets will be ready in 2021 (subject to change)
